### Ash Wednesday

Ash Wednesday is the first day of Lent.

On Ash Wednesday, people say sorry to God and ask him to forgive them. Sometimes they put ashes on their forehead to show that they are sorry.

Draw your face here and put a smudge of ash on your forehead.

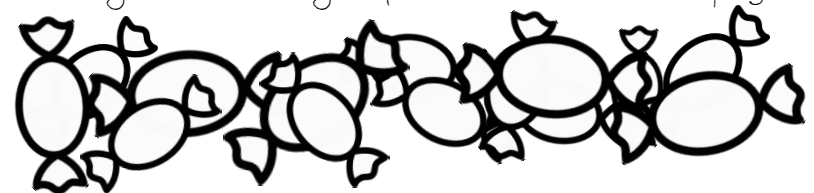

### Shrove Tuesday is Pancake Day!

In the past, people ate pancakes just before Lent to use up the food they 'gave up' (did not eat) until Easter. Today, we give up different things in Lent, such as sweets or doing things we know make God sad. Even better, we can 'take up' (start doing) things that make God happy!

What can you give up, or take up, for Lent?

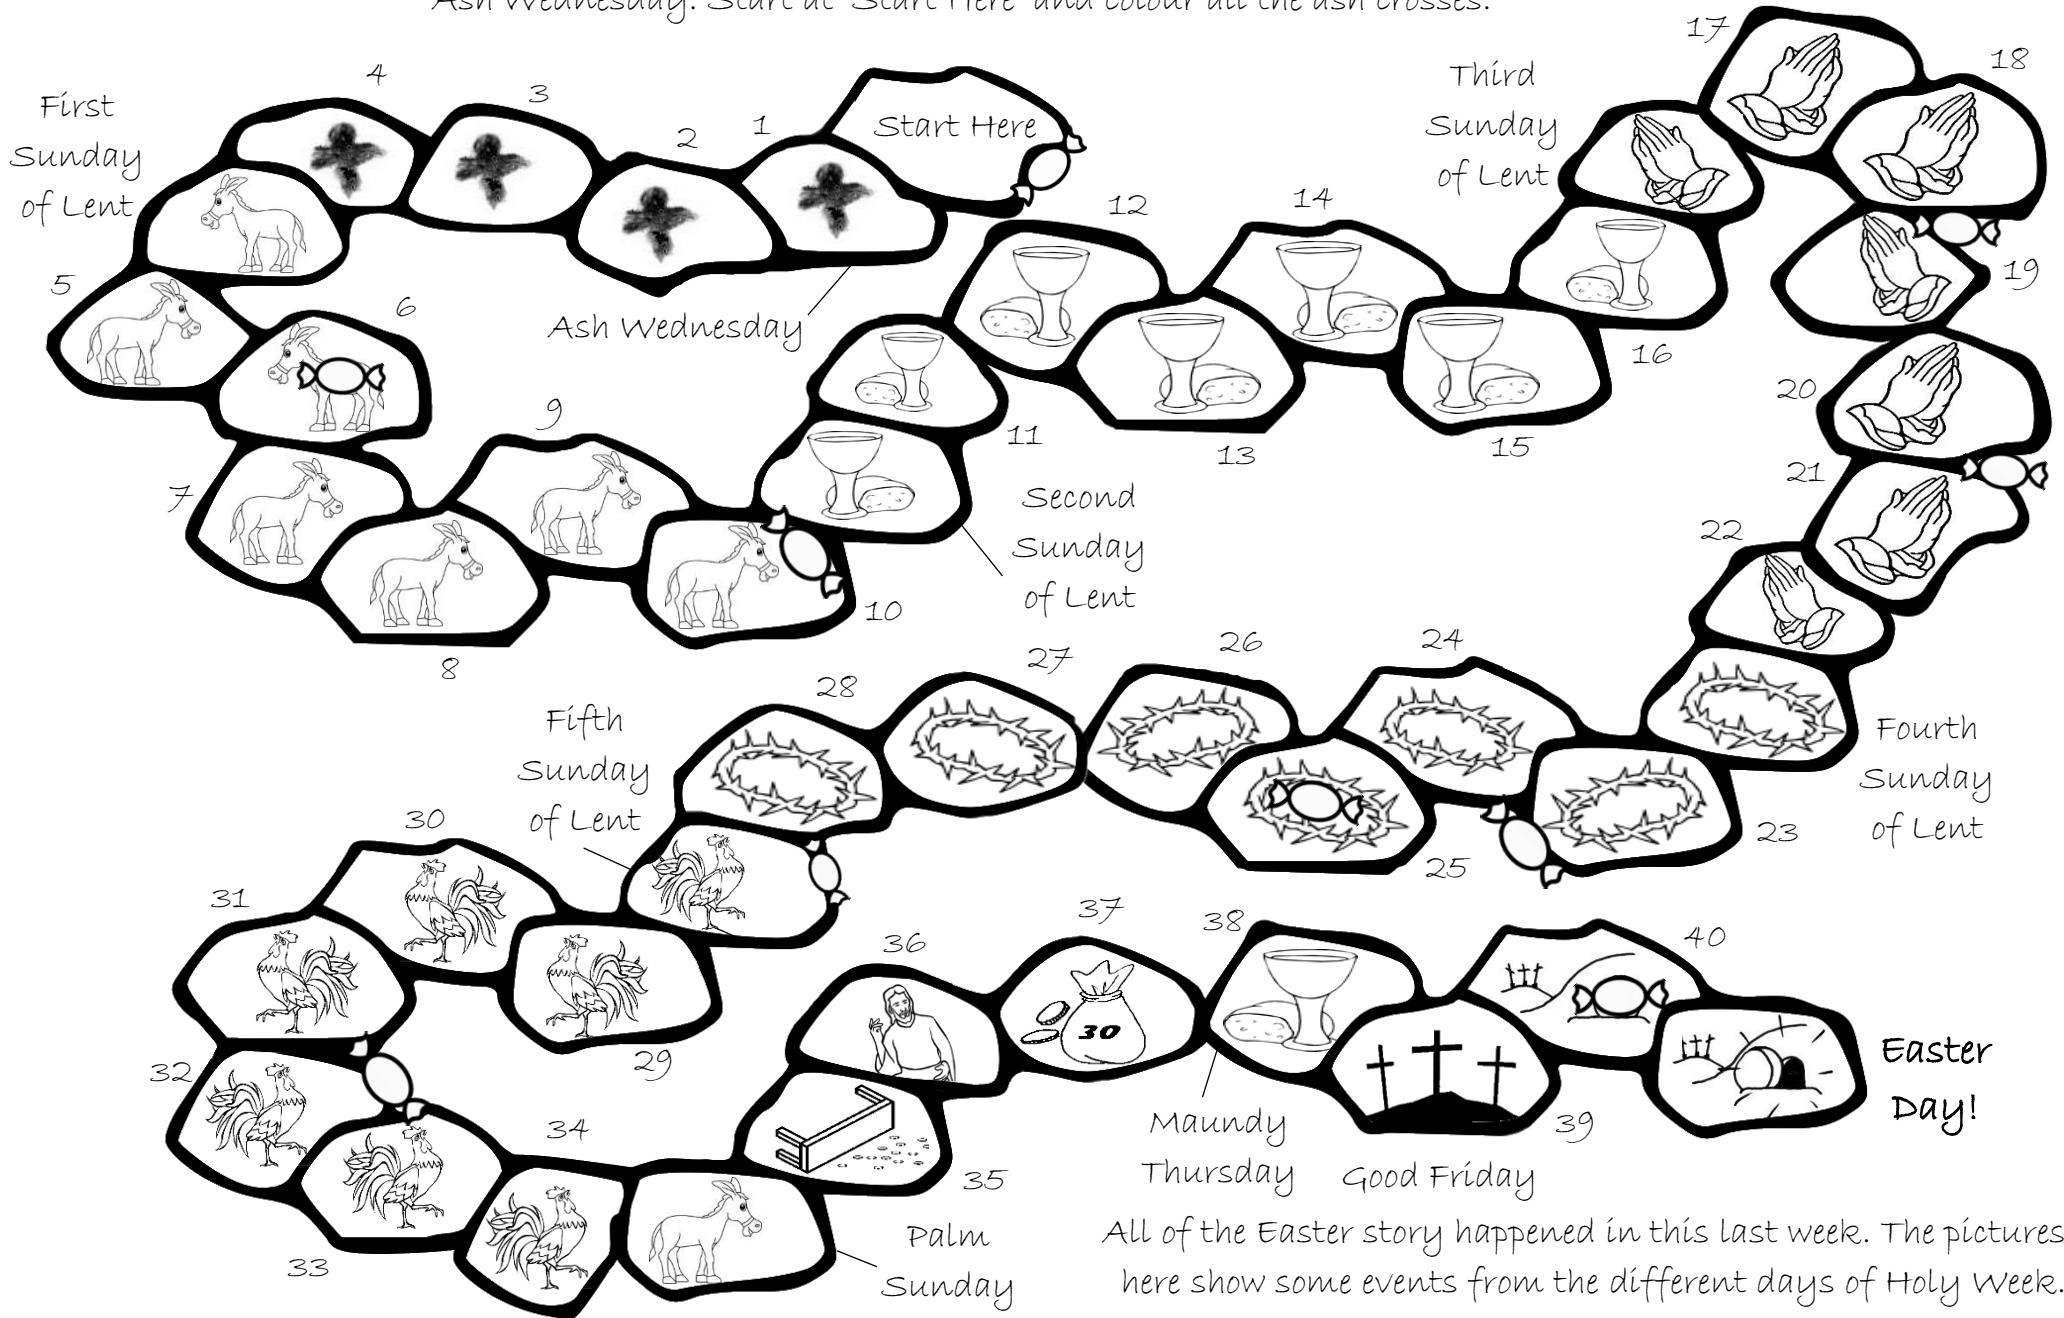

How many sweets can you find hidden on these pages?

# Our Lent Journey

Lent is the journey to Easter. It is 40 days long, starting with Ash Wednesday.

We can colour the path to mark our way through Lent. This week we are thinking about Ash Wednesday. Start at 'Start Here' and colour all the ash crosses.

All of the Easter story happened in this last week. The pictures here show some events from the different days of Holy Week.
